To the Collector in Madura and

Dindigul.

Sir,

I am directed by the President and Members of the Board of Revenue to acknowledge the receipt of your Letter under date the 16th ultimo.

2d. The Board observe that no payment on account of the Yeomeahdans' family alluded to in the Remark contained in the Statement enclosed in your letter has been made since the year 1809, when the original Yeomeahdan died. They do not therefore consider it expedient to recommend the Award of a Yeomeah to any Person deputed to Imprisonment &c

On some former occasions the Board have recommended that portions of proceeds should be remitted for the maintenance of the families of deceased prisoners but as this indulgence appears now to be claimed as a right by the parties concerned and recommended by you on insufficient grounds, the Board resolved to discontinue the practice in future as tending to encourage idleness and support individuals who would otherwise seek employment in industry and useful occupations.

I am

Sir,

Your most obedient Servant
